## Schedule of Benefits and Terms & Conditions

This document is issued by Auswide Bank Ltd ABN 40 087 652 060, Australian Financial Services and Australian Credit Licence 239686 – and is current as at: **6th December 2016**

### Eligibility for Shareholder Advantage Benefits:

When you own 1,000 or more ordinary shares in Auswide Bank Ltd, you are eligible to take advantage of some great savings on many of the products and services we offer. The shareholding needs to be in a personal name, SMSF or family trust. If you have a joint holding in two or more personal names, all joint holders can apply. Individual trustees of SMSF or family trusts are also eligible. Companies, other trusts and deceased estate shareholdings are not eligible for this offer.

We make these Shareholder Advantage benefits available to eligible shareholders in the form of our “Freedom Package”. As an exclusive offer, you can apply for these benefits without meeting some of the usual Freedom Package terms and conditions. For example, you’ll not be required to pay the Package Fee (currently \$395 per annum) nor do you have to hold a home loan or mandatory account with us in order to enjoy benefits on other products such as everyday banking fee savings or higher term deposit interest!

We will review your eligibility for these benefits by reviewing the Auswide Bank Ltd Shareholder Register from time to time. If you then hold less than 1,000 shares, the waived Package Fee will become payable or your benefits will be withdrawn.
